Let Us Work With the International Community

HON. BOB FILNER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Mr. FILNER: Mr. Speaker, the gentlewoman from California is a woman of courage, a woman of peace. We thank her for her leadership.

I heard the gentleman from Illinois, the chairman, earlier worry about our status as a sovereign Nation if this motion passes. This is a motion which makes our sovereign Nation safer. In the 21st century, the wars against terrorism, those wars require and will require international cooperation. We cannot go it alone in the 21st century. We cannot go it alone in a war against terrorism. We must have the world community with us.

We will be less safe if we do not pass this resolution. America will be less safe if we pass the resolution that the President wants. We dilute our war against terrorism, we increase the possibility of terrorists getting weapons of mass destruction. The al Qaeda I would think would be cheering the passage of the underlying resolution because the instability of the area, for example, in Pakistan would more likely give them a nuclear weapon. Let us work with the international community. Let us work with the United Nations. Let us follow the path of peace. Let us support the Lee amendment.
